

# Appendix 1

## *Family lineages*

---

The following charts provide information about both my paternal and maternal ancestry. They are designed to show details of birth, marriages and death, and any other relevant entries such as baptisms, professions and place names. The information by default is incomplete, and research to fill missing data is ongoing. If any reader is aware of facts and figures that can fill blank spaces, I would appreciate hearing from them at any of the contact addresses and number listed below:

<b>Mailing address:</b>	<b>Telephone number</b> (including international code)	<b>E-mail address</b>
Barry J. Page 1-62 Cambria Road North Goderich, Ontario Canada N7A 2P3	+1-519-524-2355	bjpmap@cabletv.on.ca 

The two main family lineages—the Page and Sleet lines—are supported with the Williams and Harrington ancestries to provide a larger picture of the family tree. For ease of interpretation, a breakdown of the family lineages has been organised into manageable parts that suit the page format of this publication.

### **Summary of the two main lineages as far back as great-grandparents**

Sidney Richard Page m. ?

Possibly in Wolverhampton, Staffordshire

↳ Sydney Stephen Page m. Marguerite Ethel Johnson  
17 May 1908, in Newport, (Mon) Gwent

↳ Peter John Page m. Doris Margaret Sleet  
04 March 1944, in Islington, London
